

Announcement - recruitment for college teachers

The Department of Materials Science and Engineering (DMSE) at National Tsing Hua University, Taiwan, is the first, the largest and the most renowned DMSE in Taiwan. The DMSE has strengths and interests across full spectra of materials researches, and is equipped with the richest state-of-the-art facilities and supportive staffs. Now, we seek tenure-track position at all levels, starting in August 2023. Faculty duties include teaching at both graduate and undergraduate levels, executing outstanding researches, and serving the department and university.

1. Position & quota: 1~3 Full-time teachers.
2. Area of expertise: Material science.
3. Qualifications: PhD. degree in Material Science and Engineering or the related field, with outstanding performance on research and be able to offer classes in English.
4. Materials required:
 - Curriculum Vita (including studying and working experiences, specialties, teaching interests, and research interests)
 - Hardcopy of degree certification
 - Grade reports of both undergraduate and graduate programs
 - List of publications (including N/M, IF, and citations)
 - Teaching & Research statements
 - Three letters of reference
5. Recruitment start: 2023/08/01
6. Application deadline: 2022/12/31
7. Salary: In addition to the standard salary, we also offer the outstanding recruits a housing allowance of NT\$ 10,000 per month, and an additional merit pay of NT\$ 30,000 to 60,000 per month.
8. Address: Department of Materials Science and Engineering, 101, Sec. 2, Kuang-Fu Road, Hsinchu 30013, Taiwan, and email them to: mse@my.nthu.edu.tw & poyuchen@mx.nthu.edu.tw
(Please notice that the application materials will not be returned to applicants.)

Note: the letters of reference can be sent via snail-mail or email.

If you have any questions, please contact Ms. Chou (03)5742623.
